Capital Improvement Projects Dashboard  
2020 - 2026

The Capital Improvement Projects Dashboard can be used to view the status of Public Works Projects in the community.

To use this dashboard:

- Click on the list of projects on the right hand side to zoom into the area and view detailed information
- Pan, zoom, and click on a shape to view more information
- Use the filters below to show certain types of projects
- Use the search function on the top right of the map and input an address to see projects near you
- Click the home button to see the whole map

Check the boxes below to filter the results on the map.

**Project Type**

Storm Water
